

HOW TO ORDER AN **ULTRAFLEX BRACE**

As a service to you and your patients:

- o Ultraflex will verify patient's insurance coverage for the brace
- o Ultraflex will assist in requesting the detailed written order and clinical notes
- o Ultraflex Direct Care Team will fit, modify, and follow up patients for the life of the brace

1

The Prescribing Physician selects brace design

For assistance, visit www.ultraflexsystems.com/products

2

The Physician records clinical note detailing the patient's need for selected Ultraflex brace

Sample General Note for Ultraflex Therapeutic Brace:

I am prescribing an Ultraflex orthosis to provide an assist function to the patient's joint motion.

3

The Physician completes prescription

A prescription will start the ordering process while the Ultraflex Direct Care Team supplies the physician with the proper Detailed Written Order and verifies patient insurance.

Collect and Fax Patient Demographic Documentation to the Ultraflex Clinical Sales Team:

Patient Face Sheet

Insurance Cards

Clinical Note Outlining Bracing Need

Detailed Written Order and/or Rx
